Fabio Kupfermann Rodarte's practice is focused upon the structuring and negotiation of both national and international lending and financial transactions. He participates in foreign financing transactions involving capital markets financing and negotiates export finance contracts.

Further to his work in international lending and finance, he is also involved in banking and foreign exchange regulation and foreign investment matters. He also represents clients in administrative proceedings before the Central Bank of Brazil and the Appeals Council of the National Financial System. In addition, his experience encompasses matters related to infrastructure, insurance and reinsurance.
